rar. This is a series of ideas that I have written and thought about over the past twenty years about real life situations that I have experienced and learned from. Larry Pepe - Date: 09/28/2010 The precontest bible. Words of wisdom on dating and romance from a long time member of the United States Army Ranger test. That's right, I'm a Ranger. I don't try to sugar coat anything and I think you will find my words here valuable and applicable. Please take the time to read, use and share the information presented here. We all can learn something from reading someone else's experiences and here are mine. The precontest bible is presented here in three parts. A section for men, a section for women and a section for both men and women. You may want to start at the beginning and work your way through the three sections. It's your choice but if you just want to pick and choose what you want to read, go with the three-fold presentation. Section 1- Men's Section- The precontest bible is an ongoing, living

manual designed to assist young men who are considering the challenge of dating and finding that special someone. The precontest bible is simple and concise. Each chapter is written to answer a question and may not address every question that you have but it should provide a foundation for you to build on. The men's section of the precontest bible is designed to make the precontest more attractive to young men by presenting a very easy to understand and follow system for dating. The precontest is not a contest, there is no prize but the precontest bible will allow you to discover new things about yourself and the precontest will allow you to grow and mature as a person. The precontest bible is presented in the following sections: I. Dress Code- II. How to prepare for the precontest- III. What to expect at the precontest IV. Personal Feelings about the precontest- V. How to handle other's feelings about the precontest- VI. How to handle the days leading up to the precontest- VII. How to handle the days following the precontest- VIII. Using the precontest bible- IX. How to handle the precontest wrap up- I. Dress 82157476af
